Introduction

The Order of the Arrow holds a national conference (NOAC) on the campus of a major university every two years.

The national conference is held over six days with Arrowmen coming from throughout the United States and overseas.

The conference program includes innovative leadership development programs, fellowship periods, inspirational gatherings (shows), ceremony team development, an OA Museum, athletic competitions, special activities, and opportunities to hear and talk with national leaders of the Order of the Arrow and Scouting BSA.

Scouts and Scouters that have attended NOAC previously can be selected to join "Host Lodge Service Corps" and MUST sign up through the Contingent!
